

01

Tear the paper roughly in the same shape as the papier-mâché hearts.

02

Glue on the parts – layer on layer – with VTR adhesive. The lace border and the flax twine are used as a decorative bow or for hanging.

Vintage hjerter

På de håndlavede papmache hjerter er limet motiver revet ud af Skagen serien, Vivi Gade Design papir. Grov snor og blonde bånd understreger det romantiske
